

Elektrinis telferis SWF NOVA Blackline

Produkto informacija

General: The NOVA Blackline meets the high demands of a SWF hoist in regards to safety, quality and reliability.

- Ultimate load from 2-12,5 tons and a lifting weight up to 12 meters
- Optimal space and land utilization due to compact headroom and optimum hook dimension
- Minimized attrition of rope by a big drum diameter
- Robust contactor control for hoist motor and trolley motor
- Mechanical overload protection protects crane and building structure
- Plug and play - quick and easy installation and maintenance
- Overheat protection
